# HILLS COACHES

OF WOLVERHAMPTON

## A friendly and professional service from a family-run coach operator

Hills Coaches are a well-known, respected, family-run business who have been an established part of the local community since 1965.

We have an excellent reputation for being reliable and experienced in travel around the West Midlands, UK and Continent and provide a whole range of services including private hire, day excursions and long-term contracts. Whether travelling for business or pleasure our aim is to make going by coach a safe, relaxing and stress-free way to travel.

Our comprehensive fleet consists of a wide selection of vehicles to cater for any group size, with vehicle sizes ranging from 24 to 70 seats. A range of our coaches comply with the new London Low Emission Zone (LEZ) requirements, which began in July 2008.

Many of our vehicles are also equipped with the following features including air conditioning, audio visual equipment, DVD, hot drinks machines, toilet facilities & reclining seats.

## Travel with a name you can trust

### Putting safety first

All our coaches are maintained in line with current legislation. They are tested by the vehicle inspectorate once a year and are also checked on a regular basis in accordance with the best industry standards. A list of checks is carried out on our coaches at the beginning of each working day to ensure that the vehicle meets our high standards and those of the regulatory authorities.

Speed limiters restrict all our coaches to travel at a maximum of 100kph (approx. 60mph) for the safety of passengers, and seatbelts, certified as being properly fitted to industry standards, are fitted to each passenger seat on every one of our vehicles.

### Our drivers

At Hills Coaches, we understand that a driver can be the difference between a good trip and a great one.

We believe that our hand-picked and uniformed drivers are among the best you will find anywhere. They are highly experienced, friendly, knowledgeable and attend regular staff training courses to help maintain our high standards of customer care and safety.

All our drivers are highly trained to a minimum of DVLA category D standard, are fully conversant with drivers' hours legislation, are experts in customer care and have been subject to criminal record bureau checks (CRB).

## Working with schools and colleges

From daily home to school services to European tours, Hills Coaches supply a wide range of modern, safe and competitively priced vehicles for the education sector. All our vehicles are equipped with seat belts and speed limiters as standard and we observe strict regulations regarding tachograph records and drivers' hours.

For larger groups or multiple classes we can provide high capacity coaches for up to 70 passengers – meaning you can keep pupils and teachers together on one vehicle and save money on the cost of multiple vehicles. And for peace of mind – all of our driving staff are character referenced and have undergone criminal record bureau checks (CRB).

With 45 years of experience and a long list of schools, colleges and universities who use our services, we are proud to hold ongoing contracts with some of the region's leading educational establishments, who find our attention to detail and professional, yet friendly approach reassuring and totally reliable.

We can offer seating from 24 to 70 passengers and are perfectly equipped to provide transport for groups of all sizes – all at a price that will meet your establishment's budget.

To receive a free, no obligation coach hire quotation please call our Transport Manager on 01902 753770.

## Luxury travel for up to 16 passengers in the only PSV-legal limo of its type

Hills Coaches are proud to work in partnership with Limobus UK. The all-new Limobus combines the safety of a minibus with all the comfort and glamour of a limousine – offering unrivalled luxury for up to 16 passengers – that's double the legal limit of a standard limousine. And with over 6ft of headroom, there's much more space to party or relax.

LimoBus provide a wide range of limousine hire services, tailor-made to suit your special occasion, be it a school prom, birthday, wedding, hen night, a day at the races or corporate event.

Luxury features include:

- On-board champagne fridge & ice buckets
- 40" LCD TV, 3x 20" LCD TV, DVD player
- 5.1 surround sound system
- Fibre optic lighting / 3D laser show
- Bespoke full perimeter body kit
- Fine leather perimeter seating
- 16 belted passenger seats

Plus, being fully PSV licensed and COIF registered, passengers can safely and legally enjoy a ride they really won't want to end.
